President's Message

It's hard to believe we are already in March 2010 and so much has happened in this short time!

We've established a new executive at our January AGM and I'm so pleased to see so many members let their names stand in these positions. There is truth to the saying "many hands lighten the work load"!

Our team is working, once again, to provide VALUE to YOU, our members, with two meaningful seminars that try to highlight practical skills and useful information. In addition, we are committed to making our Annual Awards Banquet and Charitable Golf tournament the on-going successes they have been in the past.

As always we count on YOU our members to support these events and provide us with YOUR valuable input on what would be useful to you. We are only an e-mail or phone call away.

On a more personal note, I would like to extend my deepest gratitude to the support of the Saskatoon Transportation Club and its executive for the donation made to the Salvation Army in memory of my father, Edward Breese, who passed away March 3rd. Your thoughtfulness and support has meant the world to me --- humbly I thank you.

I hope each and every member can try to make at least one or two of our events this year - I look forward to seeing you.

Sincerely yours,

Cheryl
