Topic: Saskatoon Airport Expansion

Keynote Speaker: William (Bill) Restall,
President & CEO, Saskatoon Airport Authority

President's Message

First, I want to extend a huge thank you to Gord Klimek for organizing our 2010 Annual Charitable Golf Tournament and BBQ. These things don't always come together easily and Gord makes it seem so -- your efforts and time are much appreciated Gord!

Second, on behalf of the entire executive we thank YOU -- all that golfed, joined us for dinner, bought 50:50 tickets and/or provided sponsorship support. We raised a record amount of \$3240 for the Saskatoon Crisis Nursery! YOUR support makes the event successful each and every year. We had a lower number of golfers this year, which made this event a break-even deal -- hopefully we can count on increased support next year.

Third, we need OUR **MEMBERS'** PARTICIPATION! Please join us at our Fall event on October 20th when the President & CEO of the Saskatoon Airport Authority will be speaking on the expansion of the Saskatoon airport. Whether you are in the transportation industry or not, this topic should have interest for all Saskatoon citizens! Please send us a quick note on whether or not you can attend --- plan on bringing a friend, neighbor, or colleague with you!

Finally, if you have any suggestions to offer for an event, speaker, tour that you think your colleagues would be interested in -- send us a quick e-mail. We appreciate the extra ideas!

Looking forward to seeing you soon,

Cheryl Starnes - President, Saskatoon Transportation Club
