President's Message

Greetings of the Season to each and every one of our members and membership companies! It is time to pause from the whirlwind of daily events that eat up our days and review how we've done. 2011 has been a successful year for the Saskatoon Transportation Club. We've had two amazing speakers at our breakfast meetings in the Spring (Bill Restall, Saskatoon Airport Authority) and Fall (Keith Willoughby, Edwards School of Business). We had a sold out Annual Awards Banquet in June and we raised a significant amount of funds for the Crisis Nursery at our Annual Golf Tournament in August. Thank you to our executive team who have each worked hard to help out with each of these events.

We will be looking for a few replacements on our executive team this year – perhaps someone would be willing to step in and fill these roles for us? A big THANK YOU to Gord Klimek and Joan Giesbrecht for their many years of service on the executive and as members of the club – we wish you health and happiness in your retirement! We certainly hope you can join us on some of our upcoming events to stay in touch.

On behalf of the executive team, I want to thank each of you for your support and attendance this past year. I hope you will join us in January at our AGM to start off 2012 with our highest attendance ever!

Merry Christmas and all the best in 2012.....Cheryl

A Huge “Thank you”!

A very heartfelt and sincere thanks goes out to Gord Klimek and Joan Giesbrecht for their many years of service on the Saskatoon Transportation Board. Both have decided to take on other duties elsewhere, and are leaving us as of January. We have appreciated your willingness to serve, your exceptional skills in organizing events and coming up with great ideas, and how both of you have been so happy to step up and do whatever is necessary to serve the transportation community in Saskatoon. You leave big shoes to fill, and you will be sorely missed.

Good luck to you!
