The last page.....

Your executive volunteers continue to work towards providing our members with value. I thank each and every one of them for their **commitment** and hard work so far this year.

Our Spring Breakfast seminar was a triumph on May 6th where we had RECORD ATTENDANCE! I think many of the attendees appreciated what Mr. Wayne Summach had to share on the uranium industry in Saskatchewan. Thank you for your support as we endeavor to **rejuvenate** our association.

Our June 3rd Annual Transportation Banquet had a SOLD OUT crowd. Thank you for your support as we endeavor to **cultivate** our membership and **recognize** the achievements of our local professionals in the logistics industry. Please mark your calendars to attend this event on June 2nd next year!

We successfully raised a record amount of funding for the Saskatoon Crisis Nursery at our August 28th Annual Charitable Golf Tournament & BBQ. We also had the HIGHEST NUMBER OF PARTICIPANTS this year! We are now working on another venue option to host this event in 2010. Thank you for your support as we endeavor to **contribute** back to our community.

Our fall general membership event will be another breakfast seminar as this was received so favorably. Please make the effort to join us to network and listen to the views on the state of the Saskatchewan Trucking industry as presented by Glen Ertell, President of the Saskatchewan Trucking Association.

We are looking for volunteers to assist with the Salvation Army Ring the Bells campaign on Saturday, December 19th between 10:30 AM and 8:30AM. We are once again located at the Midtown by the Sears mall entrance and are asking our membership to contribute one-half hour or one hour of their time to this worthy cause.

Last, but certainly not least, we are looking at alternatives of making our Annual General Membership meeting in January something everyone will enjoy. I invite you to share your ideas by sending us an e-mail at info@saskatoontransportationclub.ca.

I encourage you to invite your co-workers, suppliers, and customers at our quarterly events to join us as we work towards providing opportunities for colleagues to network, share ideas and perhaps learn a little!

Looking forward to seeing you all on November 25th!

--- Cheryl Starnes, President
