### **President's Message**

Well, we are getting to the end 2006 and what a year it was! We have moved our general membership meetings to the Saskatoon Golf & Country Club thanks to the work of Gordon Klimek and John Kimpinski. Also, thanks to Ed Sunley for his work on arranging the speakers (see first page of this newsletter for information on the October 18<sup>th</sup> meeting). Our annual golf tournament was a success for both the Club and the Saskatoon Crisis Nursery. It does the heart good when we all contribute to help such a worthy cause and one that maybe, someday, we or someone we know, will need to use its services. Thanks to Larry Elliott and his team for a job well done, again.

As I mentioned this year is coming to a close and as with each coming year we are looking for volunteers to help with the running of your organization. If anyone is interested they can give me a call at 668-5264 (work) or 384-1551 (home). I encourage everyone to consider this as the organization needs you to ensure that it is providing what the membership wants. We can only do this with your input. The commitment is not taxing – one executive meeting per month and assisting with various initiatives throughout the year. All based on the amount of time you can volunteer. Again, please let me know if you would like to help out in any way.

Look forward to seeing all of you at the October 18<sup>th</sup> meeting.

Gayleen Creelman
