

2008 3rd Quarter Newsletter

FALL MEMBERSHIP MEETING: October 29th

We are very excited to offer a tour for our next event! Special arrangements have been made to tour the CLS facility the evening of Wednesday, October 29th at 1800 – 1900.

The CLS facility is a state of the art synchrotron radiation research facility located on the University of Saskatchewan grounds at 101 Perimeter Drive. Information about the facility is available on their website:

<http://www.lightsource.ca/>

Space for the tour is limited so we require you to sign-up for the tour by e-mailing your confirmation no later than October 20th to

attendance@saskatoontransportationclub.ca. Following the tour we will have dinner and a brief update for our general membership.

Executive Farewell

We recently received the resignation of Larry Elliot who has served on our board in various positions and most notably as the long-time coordinator of the Annual Golf Tourney and BBQ. Larry, your efforts have not gone unnoticed, and on behalf of the entire Saskatoon Transportation Club we thank you, from the bottom of our hearts, for the significant contributions you have made over the years. Thank you, Larry.

Annual Golf Tournament & BBQ August 22nd Re-cap

We moved this annual event to the Holiday Park Golf course. While the weather was not spectacular we did not get rained out! The evening was hosted by Gayleen Creelman and due to the overwhelming support of all our members we had prizes to go around for everyone. The main door prize of a DVD Home Theatre was donated by **Jay's** – the lucky winner was Dan Deslauriers. Earl Driedger and George Shand each won a \$75 gift certificate sponsored by the Saskatoon Transportation Club. Chris Zacharias won the leather jacket donated by **Winn Bay Sand**.

PRIZE SPONSORS:

Volunteers Needed – Saturday, December 20th

The Salvation Army assisted over 3,000 families last Christmas by providing food hampers and toys from the funds raised in their annual Ring the Bells kettles. The Saskatoon Transportation Club has been asked to provide volunteers to stand at the kettles and ring the bells for Saturday, December 20th from 10:30 am to 5:30 pm at the Midtown Plaza (outside of Sears). **To take on this project, we need a minimum of seven (7) volunteers to sign-up for a one-hour time slot. Please e-mail your confirmation no later than October 31st to attendance@saskatoontransportationclub.ca.** If we do not have enough volunteers we will advise the Salvation Army accordingly. Please help us help our community!
