Dear Mr. Kimpinski:

Thank you for your letter I received on April 26, 2007 regarding the Saskatoon Transportation Club's celebration of National Transportation Week.

I would be delighted to proclaim June 6 to 13 National Transportation Week in Saskatchewan. As I am sure you are well aware, transportation is vital to Saskatchewan's growing economy, since exports generate about 70 per cent of all the goods and services produced in the province.

I would also like to take this opportunity to congratulate your organization on its 40<sup>th</sup> anniversary. Well done and I wish you continued success in the future. I regret that my schedule will not permit me to attend the Awards Banquet.

Once again, thank you for your letter and keeping me informed about this annual event.

Sincerely,
